sdpartnersinedu.org

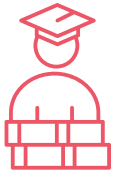

We are a Scholarship Granting Organization (SGO) and a non-profit 501(c)(3) organization that receives contributions from donors. We provide educational scholarships to eligible students in South Dakota. Insurance companies that contribute to the program receive a SD tax credit. South Dakota Partners in Education (SDPE) is the SGO for granting tax-credit scholarships in the state of South Dakota. SDPE partners with families, schools, donors, and the state of South Dakota to empower families with educational choice.
