SOUTH DAKOTA
STATE PROGRAM

Help a family choose the right school.

Your support helps make private school tuition more affordable for South Dakota families.

South Dakota Partners in Education (SDPE) is a South Dakota nonprofit 501(c)(3) Scholarship Granting Organization. We administer the South Dakota Insurance Premium Tax Credit Scholarship Program, providing tuition scholarships for income-eligible students attending participating accredited private schools in South Dakota.

South Dakota roots

A South Dakota organization working with families, schools, and donors across our state.

More choice for families

Tuition support helps parents choose the school that best meets their child's needs.

A shared commitment

Insurance partners and charitable donors help expand educational opportunity.

Insurance companies: ask about the state tax credit

Qualifying insurance companies may receive a state insurance premium tax credit for approved contributions. Contact SDPE before contributing to complete the required authorization process. This general giving form does not replace that process.
